

2011

Workshops.

Local, Affordable & Reliable...

Clinical and supervision training opportunities for counselors, case managers, social workers at Community Health Center in Akron.

FRIDAY, MARCH 18, 2011

11:45 AM - 4:15 PM | HOURS: 4 | CSP

Saving Lives Through Suicide Prevention and Intervention with Civilians and Veterans

PRESENTERS: *Carolyn Givens, BA, Executive Director of Ohio Prevention Suicide Foundation; Becky Lindesmith, LISW, & Judy Uhlar MSSA, LISW-S—Suicide Prevention Coordinators for the Department of Veterans Affairs*

DESCRIPTION: This workshop will address the issue of suicide as a public health problem. Risk and protective factors for suicide will be presented and information regarding the products and services of the Ohio Suicide Prevention Foundation will be offered. Following Ms. Givens' portion of the workshop, Ms. Lindesmith will address issues of returning veterans and the increase in suicide among vets. Clinical issues, interventions and resources will be discussed. Participants will work with case studies and apply information presented in the session. Legal and ethical issues regarding suicide will be explored.

FRIDAY, MAY 20, 2011

11:45 AM - 4:15 PM | HOURS: 4 | CSPD

Understanding Sex Offenders from the Criminal Justice and Treatment Perspectives

PRESENTERS: *Scott Sislo, BA and Colin Meeker, BA—Probation Officers Summit County Adult Probation Department (Sex*

Offender Unit); Susan Tucker, LISW, Director of Community Services, Domestic Relations Court and Therapist; John Booher and Alan Kelly, Both from Summit County Juvenile Court Sex Offender Unit; Dr. Avery Zook, Portage Path Behavioral Health

DESCRIPTION: This workshop will explore the legal issues regarding sexual offenses and the differences in working with Sexual Offenders (SO) vs. the general population. Information that would be useful to substance abuse and mental health professionals will be provided to improve collaboration between systems and help the Sexual Offenders get the best possible intervention and treatment. A treatment professional will present the challenges of working with sexual offenders and the best practices in clinical work with this population. Case examples will be included in this presentation. Legal and ethical considerations for the clinician will be addressed.

FRIDAY, JUNE 17, 2011

2:00 PM - 4:00 PM | HOURS: 2 | CS

Spirituality as a Component of Recovery from Addictions

PRESENTERS: *Fr. Peter Coletti, PCC*

DESCRIPTION: This workshop will address issues of spirituality and recovery from addiction. Alternative spiritual practices will be explored and the issue of dealing with persons who reject the concept of a higher power will be addressed. Including a spiritual assessment and incorporating spirituality into a comprehensive recovery plan will be presented.

PLEASE NOTE: *Each training offers two or more approved educational hours. Under each training to the right, you will see letters indicating the type of RCH: Clinical (C), Diagnostic (D), Supervision (S), Prevention (P) and Field Related (R).*

FRIDAY, SEPTEMBER 23, 2011

8:30 AM – 4:00 PM | HOURS: 6 | CSPD

Personality Disorders and Addiction

PRESENTER: *Dr. William Mock, LISW, PhD*

DESCRIPTION: This workshop will address common personality disorders that occur in chemically dependent persons. Diagnosis and treatment of personality disorders will be the major focus of the workshop and Axis I diagnoses that commonly occur with these disorders will be discussed. This workshop will provide case examples and small group work to apply learning principles.

FRIDAY, OCTOBER 21, 2011

2:00 PM – 4:00 PM | HOURS: 2 | CSP

Urine Drug Screening as a Tool in Treating Chemical Dependency

PRESENTER: *Tony Contessa, Medical Technologist, Community Health Center*

DESCRIPTION: This workshop will address the use of urine drug screens to assist clinicians in the treatment of substance abuse disorders. Types of screening, issues involving false results, diversion methods and confirmation of screens will be discussed. Utilizing the screen as a motivational tool and/or a tool in breaking denial will be explored. With a better understanding of screening and its strengths and challenges, clinicians can utilize results to assist patients in their recovery.

FRIDAY, NOVEMBER 18, 2011

11:45 AM – 4:15 PM | HOURS: 4 | CSPR

Issues in Counseling with Members of the GLBT Community

PRESENTER: *Angela R. Wellman, M Ed, PC*

DESCRIPTION: This workshop will focus on providing culturally competent therapy to individuals, couples and families of the GLBT community. Participants will learn how to identify and treat addiction and mental health issues within the GLBT population.

This workshop is made possible by the Gay Community Endowment Fund, an Akron Community Foundation fund. This is a free workshop, so please register early, seats will be limited!
